Report on: [] Condition and/or [] Incident (check applicable)

Date of Observing Condition and Incident (if applicable): _____.

Location: _____ (insert address/location of sidewalk area involved).

Description of Condition/Incident (describe in detail condition of sidewalk area and time of observation; if an accident, also describe who involved and what happened; attach sheet with additional information if needed; attach photos of sidewalk area involved):

_____.

If damage to property, describe who, what involved, and nature of damage:

_____.

If injuries to person(s), describe (include type and extent/severity of injuries, treatment required, doctors/hospitals involved, future necessary treatment if applicable; attach sheet if needed):

_____.

Request to City: Please repair the condition of the sidewalks. They are dangerous and present an obvious risk of damage to property (e.g. children's' bikes, etc.) and serious injury to everyone using them. Failure to properly rectify their condition will result in worsening of this condition, increasing risk of injuries to people. This exposes the City to being sued for negligent maintenance.
