Each person utilizing the Utilities and Drainage Easements areas located on another's Lot shall promptly restore such area to a condition as close to its original condition as reasonably practical after making such use. Each Lot Owner shall maintain the area of his Lot subject to the Utilities and Drainage Easements in a condition which will not interfere with the operation and maintenance of said utilities and systems.

One of the purposes of this Declaration is to assure within the Property: (a) a uniformity of use and quality of workmanship, materials, design, maintenance and location of Structures with respect to topography and finish grade elevation; and (b) that there will be no undue repetition of external designs. It is in the best interests of each Owner that such uniformity of use be maintained as hereinafter provided. Architecture of all structures shall be limited to traditional styles. Notwithstanding anything herein set forth, the Construction of any Structure shall comply with the more restrictive of either (i) the terms and conditions of this Declaration or (ii) the laws, codes, ordinances and regulations of any governmental entity having jurisdiction.

Section 4.03 Submission of Plans. At least twenty (20) days before commencing Construction of any Structure on any Lot, the Owner shall submit to the Board two (2) complete sets of detailed building, Construction, surface water run-off control and landscaping plans and specifications and a site plan showing the location of all proposed Structures (the plans, specifications and site plans are individually and collectively referred to herein as the "Plans"). The Plans shall be submitted in a form satisfactory to the Board, which may withhold its approval by reason of its reasonable dissatisfaction with the location of the Structure on the Lot, color scheme, finish, architecture, height, impact on view from another Lot or Lots, appropriateness of the proposed Structure, materials used therein, or because of its reasonable dissatisfaction with any other matter which, in the reasonable judgment of the Board, would render the proposed Structure inharmonious with the general plan of development of the Property or other Structures nearby. No Structure shall be Constructed or caused to be Constructed on any Lot unless the Plans for the Structure, including landscaping, have been approved in writing by the Board. The Board's review and approval or disapproval of Plans on the basis of cost, aesthetic design, harmony with previously approved Structures on or about other Lots in the Property, location, or consistency with this Declaration shall be absolute and enforceable in any court of competent jurisdiction. The Board's approval of any Plans, however, shall not constitute any warranty or representation whatsoever by the Board or any of its members that such Plans were examined or approved for engineering or structural integrity or sufficiency or compliance with applicable governmental laws, codes, ordinances and regulations, and each Owner hereby releases any and all claims or possible claims against the Board or any of them, and their heirs, successors and assigns, or of any nature whatsoever, based upon engineering or structural integrity or sufficiency or compliance with applicable governmental laws, codes, ordinances and regulations.

If, after the expiration of two (2) years from the closing of any sale or other conveyance of a Lot to Owner, Owner shall not have in good faith commenced the construction of an acceptable Structure thereon, Declarant may, at its option, rescind such sale or conveyance, refund all or such portion of the purchase price as has been paid, if any, without interest thereon, and enter into possession of such Lot.

The floor area of the main house Structure, exclusive of open porches and garages shall be not less than: (a) 1,350 square feet for a dwelling containing a single level; and (b) 1,650 square feet for a dwelling containing two levels. The Board shall have the discretion to reduce minimum floor area requirements upon a showing of topographical or other physical constraints which limit buildable area.

4.05.02 Lot Size. No lot or portion of a lot in this plat shall be divided and sold or resold, or ownership changed or transferred whereby the ownership of any portion of this plat shall be less than the area required for the use district in which the lot is located.

Section 4.06 Maximum Height. All buildings or Structures shall be Constructed in accordance with the City of North Bend and other applicable codes.

Section 4.07 Use Restrictions.

**Section 4.04 Construction.** No Structure shall be Constructed or caused to be Constructed on any Lot unless the Plans for the Structure, including landscaping, have been approved in writing by the Board. The Board's review and approval or disapproval of Plans on the basis of cost, aesthetic design, harmony with previously approved Structures on or about other Lots in the Property, location, or consistency with this Declaration shall be absolute and enforceable in any court of competent jurisdiction. The Board's approval of any Plans, however, shall not constitute any warranty or representation whatsoever by the Board or any of its members that such Plans were examined or approved for engineering or structural integrity or sufficiency or compliance with applicable governmental laws, codes, ordinances and regulations, and each Owner hereby releases any and all claims or possible claims against the Board or any of them, and their heirs, successors and assigns, or of any nature whatsoever, based upon engineering or structural integrity or sufficiency or compliance with applicable governmental laws, codes, ordinances and regulations.

If, after the expiration of two (2) years from the closing of any sale or other conveyance of a Lot to Owner, Owner shall not have in good faith commenced the construction of an acceptable Structure thereon, Declarant may, at its option, rescind such sale or conveyance, refund all or such portion of the purchase price as has been paid, if any, without interest thereon, and enter into possession of such Lot.

2.02.03 If the Additional Property or any portion thereof is added to the development, the layout and design of the Property shall be substantially in accordance with the Plat of Forster Woods previously approved by the City of North Bend;

2.02.04 The option reserved by Declarant to cause all or any portion of the Additional Property to become part of the development shall in no way be construed to impose upon Declarant any obligation to add all or any portion of the Additional Property or to construct thereon any improvements of any nature whatsoever. The option reserved to Declarant to add the Additional Property may be exercised by execution of an amendment to this Declaration which shall be filed with the Department of Records and Elections of King County, Washington, together with a revision of or addition to the site plan showing the Additional Property or such portion or portions thereof as are being added. Simultaneously therewith, Declarant shall convey to the Association all Common Areas contained within the Additional Property. Any such amendment shall expressly submit the Additional Property or such portion thereof to all the provisions of this Declaration. If the Additional Property or any portion thereof is added to the Property, then the number of votes in the Association shall also increase accordingly by the number of Lots in the Additional Property so that there shall continue to be a uniform and consistent method of voting an assessment within the Property.

In addition, Declarant intends to develop a portion of the Plat of Forster Woods with multi-family residential apartment units as approved by the City of North Bend in the Preliminary Plat Approval. At the present time, Declarant's intent is to develop the multi-family area in two divisions which will include a total of 250 multi-family residences, together with certain recreational areas for the exclusive use of the residents of the multi-family units. The property to be developed as a multi-family residential area is not part of the Forster Woods Community and is not subject to this Declaration. In addition, the residents of the multi-family units are not "Owners" as that term is defined herein and shall not have the right or privilege to use the Common Areas owned by the Association nor shall they have any maintenance obligations therefor. Declarant may in its discretion develop separate covenants, conditions and restrictions which shall be binding upon the multi-family residential divisions.

Section 2.03 Interest Subject to Plan of Development.  
Every purchaser of a Lot within the Property shall purchase such interest and every Mortgagee and lienholder holding an interest therein shall take title, or hold such security interest with respect thereto, with notice of Declarant's plan of development as herein set forth and Declarant shall have and does hereby specifically reserve the right to add the Additional Property or any portion thereof to the Property as hereinabove provided. Declarant further reserves the right with respect to all Lots

ALL LOTS WHICH ARE SUBJECT TO NATIVE GROWTH PROTECTION EASEMENTS SHALL MAINTAIN A TEN (10) FOOT BUILDING SETBACK THEREFROM.

4.07.13 Fences. No fence shall be constructed on any Lot without the prior written approval of the Board, which approval may be granted or denied in the Board's sole discretion. All building downspouts, footing drains, and drains from all impervious surfaces, including without limitation, patios and driveways, shall be connected to the approved permanent storm drain outlet as shown on the approved construction drawings No. 13 and 23 of Forster Woods Division 1, dated March 5, 1992, on file with the City of North Bend. This plan shall be submitted with the application for any building permit. All connections of the drains must be constructed and approved prior to the final building inspection approval. All roof drains shall be connected to public storm sewer system. Absolutely no dumping of any pollutants into the storm sewer systems shall be permitted.

4.07.17 Driveways. All driveways shall be paved with concrete from the edge of the paved street to connect with the paved surface of the floor of the garage.

4.07.18 Front Yard Landscaping. All front yards of Lots shall be landscaped primarily with grass sod from the edge of the right-of-way to within ten (10) feet of the residence; provided, however, that within such front yard areas may be

located flower beds, paths and patio areas. In addition, each Owner shall be responsible for landscaping and thereafter maintaining the planting strip along the right-of-way adjacent to each Owner's Lot. The planting strip shall be planted with grass sod and street trees no more than thirty-five (35) feet apart, according to an approved list of street tree species designated by Declarant.

4.07.21 View Control Plan. The Board shall have the authority to promulgate, alter, amend and enforce a view control plan for the purpose of providing a uniform and equitable system for the maintenance of views from Lots within the Property. Such plan may obligate Owners to prune, trim or remove trees, shrubs or other vegetation as necessary to protect and maximize views. The expense of any such required pruning, trimming or removal shall be borne as agreed between affected parties or as determined by the Board.

4.07.22 Mailboxes. All mailboxes must be of a standard accepted by the U.S. Postal Authorities and must be located in those areas so designed by the U.S. Postal Department. Structures containing mailboxes must be approved by the Board.

Notwithstanding anything to the contrary set forth herein, each Owner and the Association shall comply with the more restrictive of either (a) the terms and conditions of this Declaration, or (b) the laws, codes, ordinances, and regulations of any governmental entity having jurisdiction.

Section 4.08 Damage Deposit. For any undeveloped Lot, each Owner shall deposit with Declarant at closing, a damage deposit of \$500 for each Lot that is the subject of said closing. The Damage Deposit is security to Declarant that Owner will comply with Owner's obligations and undertakings as set forth herein. As such time as Owner has completed a dwelling on said Lot, together with all appurtenances, and said dwelling is landscaped, as required herein, and upon written request by Owner for inspection, Declarant and Owner shall jointly inspect said plat improvements in the immediate area of the specific Lot for which the written inspection was requested. The purpose of the inspection will be to ascertain if there has been damage occasioned to the plat improvement by acts of Owner or those for whom Owner is responsible, and final compliance with landscape

and design plans and specifications as provided previously by Declarant.

If there has been no damage to plat improvements occasioned by Owner or those for whom Owner is responsible, and there has been full compliance with the undertakings of Owner as set forth herein, and in accordance with prior approval as given by the Board and/or Declarant, the Damage Deposit shall be returned to Owner, without interest, as applicable to said respective Lot.

If there has been damage to plat improvements, or other violations of Owner's undertakings as set forth herein, the parties will endeavor to list the same and will attempt to attach a monetary cost thereto, and will attempt to resolve responsibility therefor and the date by which the same will be repaired. At such time as the damages or violations have been fully repaired, restored or replaced, then the Damage Deposit applicable to said Lot will be refunded without interest.

If there has been damage to plat improvements or violations of undertakings assumed by Owner herein, and the matter is not otherwise resolved to the satisfaction of Owner and Declarant, then in said event and after expiration of thirty (30) calendar days from said joint inspection, Declarant may, but shall not be obligated to, repair, replace or correct the same and deduct the cost from the Damage Deposit and remit any balance to Owner.

If the cost of repair, restoration, replacement or correction, or cost of complying with any undertaking assumed by Owner as provided herein, is in excess of \$500, and irrespective of whether Declarant elects to effectuate said repair, restoration, replacement or correction, Owner shall remain liable for the full cost of any repair, restoration, replacement or correction.

#### ARTICLE 5

#### **FORSTER WOODS OWNERS' ASSOCIATION**

Section 5.01 Organization. The Forster Woods Owners' Association is an unincorporated association of all Owners. It is contemplated that Declarant shall file articles of incorporation after the date hereof in order to incorporate the Association under the laws of the state of Washington relating to nonprofit corporations. Declarant also shall adopt bylaws which, together with the articles and this Declaration shall govern the affairs of the Association.

Section 5.02 Board of Directors. The affairs of the Association shall be governed by a Board of Directors (the "Board") which shall be composed of one or more members, to be determined in the reasonable discretion of the Board. The Declarant initially shall constitute the Board and shall be fully authorized to exercise the powers of the Association until the

Transition Date as defined in Section 5.10. Subject to any specific requirements hereof, the Board shall have authority to establish operating rules and procedures. In the event of death or resignation of any member or members of the Board, the remaining member or members, if any, shall have full authority to appoint a successor member or members. Members of the Board shall not be entitled to any compensation for services performed pursuant to this Declaration.

Section 5.03 Qualification for Membership. Each fee owner of a Lot (including Declarant) on the Property shall be a member of the Association and shall be entitled to one membership and one vote for each Lot owned; provided, that if a Lot has been sold on contract, the contract purchaser shall exercise the rights of an Owner for purposes of the Association, and this Declaration except as hereinafter limited, and shall be the voting representative unless otherwise specified. Ownership of a Lot shall be the sole qualification for membership in the Association.

Section 5.04 Transfer of Membership. The Association membership of each Owner (including Declarant) shall be appurtenant to the Lot giving rise to such membership, and shall not be assigned, transferred, pledged, hypothecated, conveyed, or alienated in any way except upon the transfer of title to the Lot and then only to the transferee of title to the Lot. Any attempt to make a prohibited transfer shall be void. Any transfer of title to a Lot shall operate automatically to transfer the membership in the Association to the new Owner.

Section 5.05 Number of Votes. The total voting power of the Association at any given time shall equal the number of Lots included within the Property at that time. The Owner or Owners of each Lot within the Property shall be entitled to one vote. If a Person (including Declarant) owns more than one Lot, he or she shall have the votes appertaining to each Lot owned.

Section 5.06 Voting. If a Lot is owned by husband and wife and only one of them is at a meeting, the one who is present will represent the marital community. The vote for a Lot must be cast as a single vote, and fractional votes shall not be allowed. If joint Owners are unable to agree among themselves how their vote shall be cast, they shall lose their right to vote on the matter in question.

Section 5.07 Pledged Votes. An Owner may, but shall not be obligated to, pledge his vote on all issues or on certain specific issues to a Mortgagee; provided, however, that if an Owner is in default under a mortgage or deed of trust on his Lot for ninety (90) consecutive days or more, the Owner's Mortgagee shall automatically be authorized to declare at any time thereafter that the Lot Owner has pledged his vote to the Mortgagee on all issues arising after such declaration and during the continuance of the default. If the Board has been notified of any

such pledge to a Mortgagee, only the vote of the Mortgagee will be recognized on the issues that are subject to the pledge.

Section 5.08 Annual and Special Meetings. Within the period commencing thirty (30) days before the Transition Date and ending thirty (30) days after the Transition Date, there shall be a meeting of the members of the Association and thereafter there shall be an annual meeting of the members of the Association in the first quarter of each fiscal year at such reasonable place and time as may be designated by written notice from the Board delivered to the Owners no less than thirty (30) days before the meeting. At the first such meeting, and at each annual meeting thereafter, the Owners shall elect by majority vote individuals to serve as Board members until a successor is elected at the next annual meeting. Each Lot shall be entitled to one vote for each director and the voting for directors shall be noncumulative. The financial statement for the preceding fiscal year (if any) and the budget the Board has adopted for the pending fiscal year shall be presented at the annual meeting for the information of the members. Special meetings of the members of the Association may be called at any time upon not less than fourteen (14) days prior written notice to all Owners, for the purpose of considering matters which require the approval of all or some of the Owners, or for any other reasonable purpose. Any First Mortgagee of a Lot may attend or designate a representative to attend the meetings of the Association.

Section 5.09 Books and Records. The Board shall cause to be kept complete, detailed, and accurate books and records of the receipts and expenditures (if any) of the Association, in a form that complies with generally accepted accounting principles. The books and records, authorizations for payment of expenditures, and all contracts, documents, papers, and other records of the Association shall be available for examination by the Lot Owners, Mortgagees, and the agents or attorneys of either of them, during normal business hours and at any other reasonable time or times.

Section 5.10 Transition Date. As noted above, Declarant initially shall constitute the Board and shall be fully authorized to exercise the powers of the Association until such time as Declarant turns over control to the Owners or the occurrence of the Transition Date, whichever occurs sooner. The "Transition Date" shall be: (a) the date designated by Declarant in a written notice to the Owners, which date may be by Declarant's election any date after this Declaration has been recorded; or (b) ten (10) years after the recording of this Declaration, whichever occurs sooner. From and after the Transition Date, the then Owners of sixty percent (60%) of the Lots in the Property shall have the power through a written instrument recorded in the real property records of King County, Washington to restrict or eliminate all or any of the approval powers and duties of the Board set forth in this Declaration, excluding the duty to maintain the Common Areas.

The Board's address may be changed from time to time by the execution and recording of an instrument in the real property records of King County, Washington which (a) refers to this Declaration and this Article 6 and (b) sets forth the Board's new address.

**ARTICLE 7**  
**AUTHORITY OF THE BOARD**

Section 7.01 Adoption of Rules and Regulations. The Board is empowered to adopt, amend, and revoke on behalf of the Association detailed administrative rules and regulations necessary or convenient from time to time to insure compliance with the general guidelines of this Declaration to promote the comfortable use and enjoyment of the Property and to govern the operation and procedures of the Association. The rules and resolutions may, without limitation, authorize voting by proxy or mail, or both, on Association matters. The rules and regulations of the Association shall be binding upon all Owners and occupants and all other Persons claiming any interest in the Property.

Section 7.02 Enforcement of Declaration, Etc. The Board shall have the power to enforce the provisions of this Declaration, and the rules and regulations of the Association for the benefit of the Association. The failure of any Owner to comply with the provisions of this Declaration, or the rules and regulations of the Association will give rise to a cause of action in the Association (acting through the Board) and any aggrieved Lot Owner for recovery of damages, or injunctive relief, or both. If a legal action is brought to interpret or enforce compliance with the provisions of this Declaration, or the rules or regulations of the Association, the prevailing party shall be entitled to

judgment against the other party for its reasonable expenses, court costs, and attorneys' fees in the amount awarded by the Court.

Section 7.03 Goods and Services. The Board shall acquire and pay for as common expenses of the Association all goods and services reasonably necessary or convenient for the efficient and orderly maintenance of all portions of the Common Areas not maintained by public utility companies or a governmental entity. The goods and services shall include (by way of illustration and not limitation) utility services for the Common Areas; policies of insurance; and maintenance, repair, landscaping, gardening, and general upkeep of the Common Areas. The Board may hire such employees as it considers necessary.

Section 7.04 Protection of Common Areas. The Board may spend such funds and take such action as it may from time to time deem necessary to preserve the Common Areas, settle claims, or otherwise act in what it considers to be the best interests of the Association.

#### ARTICLE 8

#### BUDGET AND ASSESSMENT FOR COMMON EXPENSES

Section 8.01 Fiscal Year; Preparation of Budget. The Board may adopt such fiscal year for the Association as it deems to be convenient. Unless another year is adopted, the fiscal year will be the calendar year. As soon as the Board in its discretion deems advisable and prior to the expiration of each fiscal year thereafter, the Board shall establish a budget for the costs of maintaining the Common Area during the ensuing fiscal year. The Board shall then assess each Lot within the Property with its pro rata share, based upon the number of Lots then within the Property, of such estimated costs. The Board, at its election, may require the Lot Owners to pay the amount assessed in equal quarterly installments or in a lump sum annual installment. The Board shall notify each Lot Owner in writing at least ten days in advance of each assessment period of the amount of the assessment for said period, which notice shall be accompanied by a copy of the budget upon which the assessment is based. The assessments levied by the Board shall be used exclusively to promote the recreation, health, safety and welfare of the Lot Owners and for the improvement and maintenance of the Common Areas.

Section 8.02 Certificate of Unpaid Assessments. Any failure by the Board or the Association to make the budget and assessments hereunder before the expiration of any fiscal year for the ensuing fiscal year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of the Owners from the obligation to pay assessments during that or any subsequent year, and the assessment amount and payment method established for the preceding

fiscal year (if any) shall continue until a new assessment is established. Upon the request of any Owner or Mortgagee or prospective Owner or prospective Mortgagee of a Lot, the Board will furnish a statement of the amount, if any, of unpaid assessments charged to the Lot. The statement shall be conclusive upon the Board and the Association as to the amount of such indebtedness on the date of the statement in favor of all purchasers and Mortgagees of the Lot who rely on the statement in good faith. All assessments and other receipts received by the Association shall belong to the Association.

Section 8.03 Date of Commencement of Annual Assessments. The annual assessments provided for herein shall commence as to all Lots at such time as the Board in its absolute discretion deems advisable. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year.

## ARTICLE 9 LIEN AND COLLECTION OF ASSESSMENTS

Section 9.01 Assessments Are a Lien; Priority. All unpaid sums assessed by the Association for the share of the common expenses chargeable to any Lot and any sums specially assessed to any Lot under the authority of this Declaration shall constitute a lien on the Lot and all its appurtenances from the date the assessment becomes due and until fully paid. The lien for such unpaid assessments shall be subordinate to tax liens on the Lot in favor of any assessing unit and/or special district, and to all sums unpaid on all First Mortgages of record, but, to the extent permitted by applicable law, shall have priority over all other liens against the Lot. A First Mortgagee that obtains possession through a Mortgage foreclosure or deed of trust sale, or by taking a deed in lieu of foreclosure or sale, or a purchaser at a foreclosure sale, shall take the Lot free of any claims for the share of common expenses or assessments by the Association chargeable to the Lot which became due before such possession, but will be liable for the common expenses and assessments that accrue after the taking of possession. The Lot's past-due share of common expenses or assessments shall become new common expenses chargeable to all of the Lot Owners, including the Mortgagee or foreclosure sale purchaser and their successors and assigns, in proportion to the number of Lots owned by each of them. Notwithstanding any of the foregoing, however, the Owner and the real estate contract purchaser shall continue to be personally liable for past due assessments as provided in Section 9.03. For purposes of this Section, "Mortgage" does not include a real estate contract and "Mortgagee" does not include the vendor or the assignee or designee of a vendor of a real estate contract.

Section 9.02 Lien May Be Foreclosed. The lien for delinquent assessments may be foreclosed by suit by the Board, acting on behalf of the Association, in like manner as the foreclosure

9208200364

of a mortgage of real property. The Board, acting on behalf of the Association, shall have the power to bid in the Lot at the foreclosure sale, and to acquire and hold, lease, Mortgage, and convey the same.

Section 9.03 Assessments Are Personal Obligations. In addition to constituting a lien on the Lot, all sums assessed by the Association chargeable to any Lot, together with interest, late charges, costs and attorneys' fees in the event of delinquency, shall be the joint and several personal obligations of the Owner and any contract purchaser of the Lot when the assessment is made and their grantees. Suit to recover personal judgment for any delinquent assessments shall be maintainable without foreclosing or waiving the liens securing them.

Section 9.04 Late Charges and Interest on Delinquent Assessments. The Board may from time to time establish late charges and a rate of interest to be charged on assessments delinquent for a period of more than ten (10) days after the date when due. In the absence of another established, nonusurious rate, delinquent assessments shall bear interest at the rate of twelve (12%) per annum. If an installment on an assessment against a Lot is not paid when due, the Board may elect to declare the entire assessments against the Lot for the remainder of the fiscal year to be immediately due and payable.

Section 9.05 Recovery of Attorneys' Fees and Costs. In any action to collect delinquent assessments, the prevailing party shall be entitled to recover as a part of its judgment a reasonable sum for attorneys' fees and all costs and expenses reasonably incurred in connection with the action, in addition to taxable costs permitted by law.

Section 9.06 Remedies Cumulative. The remedies provided herein are cumulative and the Board may pursue them, and any other remedies which may be available under law although not expressed herein, either concurrently or in any order.

Section 9.07 No Avoidance of Assessments. No Owner may avoid or escape liability for assessments provided for herein by abandoning his or her Lot.

#### ARTICLE 10

#### **FAILURE OF BOARD TO INSIST ON STRICT PERFORMANCE NO WAIVER**

The failure of the Board in any instance to insist upon the strict compliance with this Declaration or rules and regulations of the Association, or to exercise any right contained in such documents, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of any term, covenant, condition, or restriction. The receipt by the Board of payment of any assessment from an Owner, with knowledge of any breach by the Owner, shall not be a waiver

of the breach. No waiver by the Board of any requirement shall be effective unless expressed in writing and signed for the Board.

**ARTICLE 11**  
**LIMITATION OF LIABILITY**

So long as a Board member, or Association member, or Declarant has acted in good faith, without willful or intentional misconduct, upon the basis of such information as is then possessed by such Person, then no such Person shall be personally liable to any Owner, or to any other Person, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of such Person; provided, that this Article shall not apply where the consequences of such act, omission, error, or negligence are covered by any insurance actually obtained by the Board.

**ARTICLE 12**  
**INDEMNIFICATION**

Each Board member, and Declarant shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of holding or having held such position, or any settlement thereof, whether or not he holds such position at the time such expenses or liabilities are incurred, except to the extent such expenses and liabilities are covered by insurance and except in such cases wherein such Board member or Declarant is adjudged guilty of willful misfeasance in the performance of his or her duties; provided, that in the event of a settlement, the indemnification shall apply only when the Board approves such settlement and reimbursement as being for the best interests of the Association.

**ARTICLE 13**  
**INSURANCE**

At such times as the Board deems appropriate, the Board shall cause the Association to purchase and maintain as a common expense a policy or policies which the Board deems necessary or desirable to provide casualty insurance; comprehensive liability insurance; with such deductible provisions as the Board deems advisable; insurance, if available, for the protection of the Association's directors, and representatives from personal liability in the management of the Association's affairs; and such other insurance as the Board deems advisable. The Board shall review the adequacy of the Association's insurance coverage at least annually.

**ARTICLE 14**  
**DAMAGE AND REPAIR OF DAMAGE TO PROPERTY**

In the event of any casualty, loss or other damage to the Common Area for which the then current assessments by the Board are insufficient to repair, or restore or for which there are not insurance proceeds or insufficient insurance proceeds available to the Board for such restoration or repair, the Board may make a special assessment against each Lot within the Property for its pro rata share of the cost and expenses to repair and/or restore the Common Areas. The special assessment shall be payable, at the determination of the Board, in either monthly or quarterly installments or in a single lump sum amount. The Board shall notify each Lot Owner of any such special assessment not less than twenty (20) days prior to the date such special assessment or the first installment thereon is due and payable, which notice shall be accompanied by a reasonably detailed statement of the Board's estimated costs and expenses of repairing and/or restoring the Common Areas.

**ARTICLE 15**  
**AMENDMENTS OF DECLARATION**

Section 15.01 Amendments by Declarant. Prior to the Transition Date, Declarant may amend this Declaration by an instrument in writing filed and recorded in the Records of King County, Washington, without the approval of any Owner or Mortgagee; provided, however, that, with the exception of the addition of any portion of the Additional Property to the terms of this Declaration, (a) in the event that such amendment materially alters or changes any Owner's right to the use and enjoyment of his Lot or the Common Areas as set forth in this Declaration or adversely affects the title to any Lot, such amendment shall be valid only upon the written consent thereto by a majority in number of the then existing Owners affected thereby, or (b) in the event that such amendment would materially and adversely affect the security, title and interest of any Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Mortgagees so affected. Notwithstanding the foregoing to the contrary, no consent or approval of any Owner, any Mortgagee or any other person shall be required in connection with Declarant's filing of amendments to the Declaration for the purpose of submitting the Additional Property or any portion thereof to the provisions of this Declaration as provided in Section 2.02 hereof.

Each Owner, by acceptance of a deed or other conveyance of a Lot, agrees to be bound by such amendments as are permitted by this Section 15.01 and further agrees that, if requested to so do by Declarant, such Owner will consent to the amendment of this Declaration or any other instruments relating to the Development (i) if such amendment is necessary to bring any provision hereof or thereof into compliance or conformity with the provisions of

9208200364

any applicable governmental statute, rule, or regulation or any judicial determination which shall be in conflict therewith, (ii) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lots subject to this Declaration, (iii) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on any Lot or other improvements subject to this Declaration, or (iv) if any such amendment is necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on the Lots or other improvements subject to this Declaration.

Section 15.02 Amendments by Association. Any Owner may propose amendments to this Declaration to the Board. A majority of the members of the Board may cause a proposed amendment to be submitted to the members of the Association for their consideration. ### N.G.P.E. - B.S.B.L. NOTE

#### BUILDING SETBACKS AND NATIVE GROWTH PROTECTION EASEMENTS

Structures, in all constructions (including but not limited to decks, patios, overhangs, or awnings beyond 18 inches) are prohibited beyond the building setback line, and within 25-year flood zones (if applicable), and within the Native Growth Protection Easement(s) as shown.

Dedication of a Native Growth Protection Easement (NGPE) serves to the public a beneficial interest in the land within the easement. This interest includes the preservation of native vegetation for all purposes that benefit the public health, safety, and welfare, including control of surface water and erosion, maintenance of stream stability, wind and noise buffering, and protection of plant and animal habitat. The NGPE becomes a part of the public domain and the ownership of land subject to the easement, the dedication, is transferred to the public by the City of North Bend, on behalf of the public by the City of North Bend, upon approval of the plat and the terms and conditions of the easement.
